

EXPERIENCED AUTO GLAZIER / TECHNICIAN

Auto Glass Solutions® is looking for an experienced Auto Glazier – Windscreen Technician to join our team on a full-time basis in Laverton North.

About us

Auto Glass Solutions® replace and repair broken vehicle glass on all cars, trucks, earthmoving equipment and machinery, regardless of make, model or vehicle age. We are dedicated to providing quality workmanship and pride ourselves in customer service excellence. Safety is paramount in our business for you, the customer, and our dedicated staff.

Role & Responsibility

Your main duties and responsibilities will be to repair and/or replace all glass requirements such as front windscreens, rear and side windows on all vehicles in accordance with workplace and industry practices.

This is a full time position and normal working hours are Monday to Friday 8am to 4.30pm.

To be considered for this role it is essential that you demonstrate skills and experience in the following:

- Windscreen repair and replacement for all automotive vehicles
- Exceptional customer service skills and a can-do attitude
- A reliable and conscientious work ethic
- The ability to work independently and within a team
- Adapt to a changing work environment
- Communicate essential information
- Demonstrate punctuality
- Committed to a 'Safety First' culture
- Hold a current manual drivers licence

Essential Skills and Qualification

- Certificate III – Automotive Glazing Technology
- Experience in windscreen repair and replacement

Benefits

This is a great opportunity to join our business and in return we provide ongoing training in the latest industry technology and equipment, a competitive salary, fully maintained vehicle and uniform.

APPLY NOW!

If you are interested in this opportunity and believe you possess the required skills, please send us your application.

Please note that only shortlisted candidates will be contacted. Applicants must hold valid working rights in Australia to apply.

This role is also subject to a clear National Police Check.
