

TRAINEE AUTOMOTIVE GLAZIER - AUTO GLASS TECHNICIAN

Auto Glass Solutions® is looking for an enthusiastic trainee, with a willingness to learn, to join our team in Laverton North.

About us

Auto Glass Solutions® provide reliable, high-quality solutions for glass repair, glass replacement for a full spectrum of vehicles including cars, trucks, earthmoving equipment and machinery. We are dedicated to providing quality workmanship and pride ourselves in customer service excellence. Safety is paramount in our business for our team members and our customers.

About the role

This is a full time position and normal working hours are Monday to Friday 8am to 4.30pm. Offering industry accredited training and certification, tools and equipment, Auto Glass Solutions® ensures that you will succeed in this role. We provide training on a full spectrum of glass solutions from your family car to commercial vehicles.

About You

- Attention to detail and a can-do attitude
- A reliable and conscientious work ethic
- The ability to work independently and within a team
- Adapt to a changing work environment
- Communicate essential information
- Committed to a 'Safety First' culture
- Hold a current manual drivers licence

This is a great opportunity to join our business and in return we provide:

- Accredited training
- A competitive salary
- Uniform
- Ongoing training of the latest technology and tools in our industry
